At 1950 on Friday, February 26, Fire District Three units were dispatched to the report of a residential structure fire at the Wilderness West Apartments, located at 3015 Donovan Loop SE. A second floor tenant called 911 after smelling smoke and hearing an alarm downstairs. Upon arrival, District 3 firefighters forced entry into one unit of the four plex, encountering a kitchen fire with heavy smoke condition. All four units were quickly evacuated and the fire immediately extinguished. There were no injuries to residents or fire service personnel.

The cause of the fire is under investigation and is believed to have started in the kitchen. Total dollar loss is estimated at approximately \$40,000 and the occupants who had moved into the apartment this morning will not be able to return to the structure until significant repairs and cleanup have been completed.
